when mahnaz afkhami picked up the phone in a new york hotel room early one morning in november 1978 she learned she could never go home again she had been declared an apostate and enemy of the iranian revolution and was now on its death list afkhami iran s first minister for women s affairs began to rebuild her life in the united states becoming an architect of the women s movement in the global south along the way she encountered familial cultural political and organizational hurdles that threatened to derail her quest to empower women and change the very structure of human relations a skilled storyteller who has spent her life in two worlds mahnaz afkhami shares her unexpected and meteoric rise from unassuming english professor to a champion of women s rights in iran the clash between western feminists and those from the global south and the challenges of international women s rights work during the so called war on terror her journey through exile shows what it takes to launch and sustain a worldwide grassroots movement funding an ever expanding network conferences education and decades of hard work requiring individuals and organizations to persevere despite ongoing wars humanitarian disasters and climate change told with humor honesty and compassion afkhami s remarkable story illuminates the possibility of bringing opportunity and choice to women across the world

i want to take my readers in to the world of past life regression and help them understand that there is another life that we indeed do live some of us remember some of us believe we are just dreaming when in fact we are having flashbacks of our previous life my story is true and given in much detail to help one comprehend all the emotions felt during my past life and how it revealed itself in to my present day life the journey is a long enlightening and sometimes painful but bittersweet

how new york s lower east side inspired new ways of seeing america new york city s lower east side long viewed as the space of what jacob riis notoriously called the other half was also a crucible for experimentation in photography film literature and visual technologies this book takes an unprecedented look at the practices of observation that emerged from this critical site of encounter showing how they have informed literary and everyday narratives of america its citizens and its possible futures taking readers from the mid nineteenth century to the present sara blair traces the career of the lower east side as a place where image makers writers and social reformers tested new techniques for apprehending america and their subjects looked back confronting the means used to represent them this dynamic shaped the birth of american photojournalism the writings of stephen crane and abraham cahan and the forms of early cinema during the 1930s the emptying ghetto opened contested views of the modern city animating the work of such writers and photographers as henry roth walker evans and ben shahn after world war ii the lower east side became a key resource for imagining poetic revolution as in the work of allen ginsberg and leroi jones and exploring dystopian futures from cold war atomic strikes to the death of print culture and the threat of climate change how the other half looks reveals how the lower east side has inspired new ways of looking and looking back that have shaped literary and popular expression as well as american modernity
